

Boatswain Meeting Agenda
21 August 2013

SHAC Fleet Website: <https://sites.google.com/site/shacfleet/home>

1. Event Debrief:

- Sail Daze
Good food, event went great with youth activity largely separated but under supervision from adults.
- Scout Fair
Great placement, suggestion for a main event to summarize "What it means to be a Seascout." Also needs to be activity driven rather than display driven, and include beneficial organizations such as Galveston Bay Foundation in our area.

2. Unpcoming Events

- Dolphin Monitoring
- Minto Rendezvous September 6-8, Bovay – Registration live at :

- Fall Regatta – October 19, 2013 (probably Lake Houston)
Bad weather, adults need to be more strict regarding the rules, NO POCKET KNIVES are to be used, suggestion for a different attachment on the boats such as rope or a boat hook, and buoys were not helpful (no buoys).
